Business partnership between ICCP and Zachman International Inc. to develop new examinations

The ICCP has entered into a major partnership with Zachman International to develop the Zachman Enterprise Framework exam. This exam is an *ontology*, not a *methodology*, and is the basis for Architecture within the computing industry.

Founded by John Zachman, Zachman International Inc., is located in La Canada, California. Mr. Zachman is a reknown conference speaker, known for his motivating messages on Enterprise Architecture issues.

The ICCP is a not-for-profit organization that has been testing computer Programmers, systems analysts, I.T. Managers and systems developers Since 1973.

Passing the examinations also allows an individual to simultaneously work Towards a college degree in computing or business information systems.

For more information on the certifications offered by the ICCP, and how to prepare to write its examinations, please visit www.iccp.org

For additional information on Zachman International, please visit their website At www.zachmaninterantional.com
